Employment History

Project Manager July 2025 – May 2026
The SeaCleaners - Remote, Switzerland

- Lead simultaneous delivery of two complex international projects in Malaysia and Indonesia, coordinating local teams and external partners across both countries through structured governance frameworks, milestone tracking and risk monitoring.
- Prepare and present project performance reports and presentations for senior leadership and external partners, communicating project status, risks and findings to support informed decision-making.
- Oversee project financials within a €50-100K budget scope, tracking expenditures, analysing variances and advising leadership on resource allocation to protect delivery quality and impact.

Global Corporate Project Manager - Events November 2022 – July 2024
MSC Cruises – Geneva, Switzerland

- Delivered up to 4 high-profile multi-market launch events per year across Europe, the USA and the Middle East, including a flagship activation with [Qatar Airways during the FIFA World Cup](#), coordinating 10+ internal departments across branding, operations and logistics for audiences of up to 3,000+ attendees, with budgets ranging from €100K to €3M+.
- Partnered with MSC's internal creative department and external agencies to brief, produce and distribute bilingual brand marketing materials (English and local language) on-site, overseeing the full creative production lifecycle for 3-6 brand partners per event including Swarovski, Samsung, Movado and Heinemann.
- Led contract review and legal coordination for external event agencies and international sponsorship, partnership and talent rights, ensuring brand, commercial and legal compliance across all activities.

Global Corporate Event Specialist April 2018 – October 2022
MSC Cruises – Geneva, Switzerland

- Supported planning and execution of international launch events across Europe, the USA and the Middle East, including a [key collaboration with the Dubai Department of Economy and Tourism](#), coordinating agencies, suppliers and internal teams across all operational aspects.
- Integrated CSR initiatives (MSC Foundation, UNICEF) and employee engagement activities into global event programmes, ensuring alignment with brand values across all partner touchpoints.
- Led a new event registration and guest management system project in collaboration with IT across all phases, from design and deployment through to post-launch monitoring of adoption, user satisfaction and operational efficiency, deploying the platform in eight languages including Chinese and Arabic.
- Reduced purchase order discrepancies by 25% over 18 months through targeted process changes and systematic supplier follow-up.

Marketing Specialist July 2016 – March 2018
MSC Cruises – Geneva, Switzerland

- Developed trade and consumer marketing materials aligned with brand standards, ensuring consistent messaging and visual identity across all channels.

Digital Marketing Specialist June 2015 – March 2016
Banzai Commerce – Milan, Italy

- Executed the social media plan to support brand visibility and audience engagement, informed by competitor analysis and market research.
