Employment History

Project Manager July 2025 – May 2026

The SeaCleaners - Remote, Switzerland

- Led the planning, coordination and delivery of two international programmes in Malaysia and Indonesia, coordinating local teams, external partners and multiple stakeholders through structured governance, milestone tracking and risk monitoring.
- Prepared project updates and reports for senior leadership, monitoring project progress, key milestones, budgets and risks to support informed decision-making.
- Oversaw project financials within a €50-100K budget scope, tracking expenditures, analysing variances and advising leadership on resource allocation to protect delivery quality and impact.

Global Corporate Project Manager - Events November 2022 – July 2024

MSC Cruises – Geneva, Switzerland

- Led the planning and delivery of large-scale international events across Europe, the USA and the Middle East, including a flagship activation with [Qatar Airways during the FIFA World Cup](#). Coordinated cross-functional teams across operations, logistics, hospitality, branding and guest services, managing budgets of up to €3M and audiences of more than 3,000 attendees.
- Served as the central coordination point between internal departments, external agencies, partners and operational teams, ensuring successful on-site delivery in fast-paced international environments.
- Partnered with MSC's internal creative department and external agencies to brief, produce and distribute bilingual brand marketing materials (English and local language) on-site, overseeing the full creative production lifecycle for 3-6 brand partners and sponsors per event including Swarovski, Samsung, Movado and Heinemann, among others.
- Led contract review and legal coordination for external event agencies and international sponsorship, partnership and talent rights, ensuring brand, commercial and legal compliance across all activities.

Global Corporate Event Specialist April 2018 – October 2022

MSC Cruises – Geneva, Switzerland

- Supported planning and execution of international launch events across Europe, the USA and the Middle East, including a [key collaboration with the Dubai Department of Economy and Tourism](#), coordinating agencies, suppliers and internal teams across multiple workstreams.
- Integrated CSR initiatives (MSC Foundation, UNICEF) and employee engagement activities into global event programmes, ensuring alignment with brand values across all partner touchpoints.
- Led the implementation of a global guest management platform in partnership with IT, coordinating business requirements, design, user acceptance testing (UAT), deployment, change management, stakeholder training, rollout and post-launch monitoring across eight languages, including Chinese and Arabic.
- Reduced purchase order discrepancies by 25% over 18 months through targeted process changes and systematic supplier follow-up.

Marketing Specialist July 2016 – March 2018

MSC Cruises – Geneva, Switzerland

- Developed trade and consumer marketing materials aligned with brand standards, ensuring consistent messaging and visual identity across all channels.
- Collaborated with IT to design a global content management system (CMS) for cruise travel document content.

Digital Marketing Specialist June 2015 – March 2016

Banzai Commerce – Milan, Italy

- Executed the social media plan to support brand visibility and audience engagement, informed by competitor analysis and market research.
