Employment History

Project Manager

July 2025 – May 2026

The SeaCleaners - Remote, Switzerland

- Led the planning, coordination and delivery of two international projects in Malaysia and Indonesia, aligning local teams and external partners through structured governance, milestone tracking and risk monitoring.
- Oversaw evaluation of collection, sorting and recycling solutions, analysing results and documenting insights to inform operational decisions.
- Prepared annual and quarterly reports for senior leadership and partners, summarising progress against project milestones, key results and operational developments to support decision-making.
- Oversaw budgets of €50K–€100K, tracking expenditure, analysing variances and advising leadership on resource allocation to maintain delivery quality and impact.

Global Corporate Project Manager - Events

November 2022 – July 2024

MSC Cruises – Geneva, Switzerland

- Delivered large-scale international events across Europe, the USA and the Middle East for MSC Cruises and Explora Journeys, MSC Group's luxury brand, including an [MSC Cruises launch event in partnership with Qatar Airways during the FIFA World Cup](#).
- Coordinated internal cross-functional teams and external partners across operations, logistics, travel, hospitality, marketing, branding and guest services, managing budgets of up to €3M and delivering events for more than 3,000 attendees, including VIPs, artists, celebrities, public officials and media representatives.
- Managed RFP processes to select event agencies and production partners.
- Worked with MSC's internal creative department and external agencies to brief, produce and distribute bilingual marketing materials in English and the relevant local language, overseeing the creative production process for 3–6 brand partners and sponsors per event.
- Led contract reviews and legal coordination for external event agencies, international sponsorships and partnerships, and artist and talent agreements, ensuring brand, commercial and legal compliance.
- Managed artist tour riders, coordinating technical, hospitality and logistical requirements to ensure smooth on-site delivery.

Global Corporate Event Specialist

April 2018 – October 2022

MSC Cruises – Geneva, Switzerland

- Supported the planning and execution of international launch events across Europe, the USA and the Middle East, including a [key collaboration with the Dubai Department of Economy and Tourism](#), coordinating agencies, suppliers and internal teams across multiple workstreams and site inspections.
- Led the digitalisation of the event registration and guest management process for MSC's global events, implementing a new online platform integrated with onboard booking and ground services systems.
- Coordinated business requirements with IT, led user acceptance testing (UAT) and consolidated stakeholder feedback before rollout, while overseeing content development across eight language versions, including Chinese and Arabic.
- Developed and delivered training content (guides, demo videos, live sessions, workshops) to drive adoption of the new platform, support global change management and ensure knowledge transfer and operational consistency.
- Integrated CSR initiatives (MSC Foundation, UNICEF) and employee engagement activities into global event programmes, ensuring alignment with brand values across all partner touchpoints.
- Directed the creation and production of marketing assets, including brochures and event materials, liaising with agencies and overseeing execution.
- Implemented a purchase order tracking system that improved budget monitoring and reduced discrepancies between planned and actual expenditure by 25% over 18 months.

Marketing Specialist

July 2016 – March 2018

MSC Cruises – Geneva, Switzerland

- Developed trade and consumer marketing materials aligned with brand standards, ensuring consistent messaging and visual identity across all channels.
- Coordinated project briefs, timelines, review cycles, approvals and final delivery.
- Collaborated with the IT Department to design a global content management system (CMS) for cruise travel documents.

Digital Marketing Specialist

June 2015 – March 2016

Banzai Commerce – Milan, Italy

- Implemented the social media plan to support brand visibility and audience engagement, using competitor analysis and market research to inform activities.
